LUNAFEST® IUPUI 2008 is part of LUNAFEST, a national traveling film festival that features short films, by, for, and about women. LUNAFEST was established in 2000 by LUNA, the makers of the Whole Nutrition Bar for Women, to simultaneously promote women filmmakers, raise awareness for women's issues, and support worthy local women's organizations throughout the U.S. and Canada. The event benefits the local sponsor, the IUPUI Office for Women and the Breast Cancer Fund, a non-profit organization that works to identify – and advocate for the elimination of – the environmental and other preventable causes of breast cancer.
